GAMMA PHITS GPH-I23

Assembly

- 1.Remove the top cover.
- 2.Remove the speaker unscrewing the four screws.
- 3.Unsolder the blue (+) and black (-) cables.
- 4.Place the rubber gasket in the front panel fitting it firmly in.

5.Place the new speaker GPH-I23 on the top of the rubber gasket, fix it with the screws and solder the cables again.

6.Replace both front panel and top cover.
